

Apartment

€ 260.000 negotiable

Ref. 534

75 sq.m | Bathrooms: 1 | Bedrooms: 2 | Rooms: 4

A few steps from the pedestrian area in the center of Diano Marina and about 300 meters from the most beautiful beaches, we offer a large four-room apartment ready to move into on the first floor of a building located in a quiet position.

The apartment consists of an entrance hall, lounge, kitchen, two bedrooms, utility room, bathroom with window; from the kitchen you have access to the comfortable balcony.

The house is exposed on three areas, north, east and south, with large windows on each elevation, consequently brightness and ventilation are guaranteed throughout the day.

The location of the accommodation is certainly interesting because it is a few steps from the sea and from the comforts of the center, while remaining far from the confusion and also because it overlooks the layout of the old railway line where the soon-to-be-built cycle/pedestrian path that will run along our coast will be located of western Liguria.

There are numerous free parking spaces nearby.
