

Apartment

€ 185.000 negotiable

Ref. 629

42 sq.m | Bathrooms: 1 | Bedrooms: 1 | Rooms: 2

200 meters from the sea, we offer a completely renovated and finely furnished apartment located within a complex in a private position surrounded by greenery, away from the chaotic vehicular traffic of the Via Aurelia, but a few steps from the sea and the cycle path which will be made soon.

The apartment is located on the mezzanine floor of a two-storey building, overlooking the perfectly maintained condominium gardens. It is composed of an entrance hall, living room with access to the balcony, kitchenette with window, bedroom with access to the same balcony and bathroom with window.

The bedroom is really spacious and there is space for both a bunk bed and a double bed

On the same floor as the accommodation, a comfortable cellar is included in the sale, ideal for storing bicycles.

Externally the complex enjoys a large green park with pines, eucalyptus and other tall trees
It also has a notable condominium car park where it is always possible to find parking, even in the summer season.

The location is really interesting: quiet, but also close to the sea and the center which are now more easily reachable thanks to the cycle/pedestrian path that will connect Diano Marina to the various towns on the Riviera di Ponente up to Sanremo, following the old railway route along the coast with breathtaking views.
