84 sq.m | Bathrooms: 1 | Bedrooms: 1 | Rooms: 3

In a position of absolute prestige, with a wide panoramic view of the sea and the entire Gulf of Diano Marina, we offer an attic in a recently built building (built in 2014).

The building consists of 7 apartments and each unit enjoys a sea view, as well as a very panoramic and extensive view over the whole valley up to the Ligurian Alps in the distance!

Exposure to the sun is excellent as it faces almost completely south; everything is completely surrounded by the green of the olive groves typical of the Mediterranean maquis.

The attic penthouse, on the second floor, offers a considerable size with terrace and veranda.

It consists of entrance to living room, large kitchen area, bedroom and bathroom. The whole house has excellent lighting thanks to part of the roof with windows.

Own private parking space in the condominium courtyard.

The whole complex is currently in excellent maintenance conditions.
