

Apartment

€ 135.000 negotiable

Ref. 548

100 sq.m | Bathrooms: 1 | Bedrooms: 3 | Rooms: 5

In the first hinterland of Diano Marina, within the historic center of Diano San Pietro but in an elevated and therefore widely panoramic position, we offer a single-family house spread over two floors with a view of the sea and the valley of the Dianese Gulf. The context is very suggestive and typically Ligurian, surrounded by olive groves and gardens. The private and quiet location.

The property is accessed via a typical Ligurian alleyway covered in stone; the house develops on two levels connected by an internal staircase.

On the ground floor you enter a corridor, habitable kitchen overlooking the valley and sea view, living room, bathroom with window; on the first floor two bedrooms and a study.

The sale is completed by a very spacious warehouse ideal for storing motorcycles and bicycles as well as an external area of approximately 20m2 adjacent to the house.

Ideal for living there all year round, but also as a holiday home.
