In the heart of the historic center of Diano Castello, with a view that ranges from the sea to the greenery and the surrounding hills, we offer a splendid three-room apartment in a period building with a literally unique terrace!

The apartment consists of an entrance into a large and bright living room with double French windows that give access to the terrace with panoramic view, kitchenette, double bedroom, single bedroom, bathroom with electric velux.

The terrace is in a privileged position as it enjoys absolute privacy, but at the same time in a dominant position which allows you to enjoy a very wide view over the entire valley, the historic center of the town up to the sea. From the terrace you can also enjoy the view of all the bell towers of all the churches in the town!
