In Via Diano Calderina, we offer a garage located in the basement of a building within a fenced complex and with access from an automatic driveway gate.

The garage has a net internal surface area of 15m² and is suitable for the entry of any car, both in terms of its dimensions and the width of the manoeuvring lane.

There is also additional space for storing shelves, bicycles or scooters.

It is currently in good maintenance condition and does not require any improvement work before it can be used.
