Just 4 km from the sea, in a recently built complex reminiscent of ancient Ligurian villages, still in excellent condition, we offer a comfortable two-room apartment with a balcony and terrace.

The apartment is accessed via an external staircase and comprises an entrance hall into the living room with kitchenette, bedroom, small hallway, bathroom with window, balcony, and terrace.

The location is truly peaceful, away from the chaos of the coast, yet just minutes from all amenities.

Excellent condition; no maintenance work is required before moving in.

Modest condominium fees, independent heating, double-glazed wooden windows, and a security door.

It's the ideal solution for those who love the tranquility of nature, while still being close to amenities: the center of Diano San Pietro is just a short distance away, with a small grocery store, a pharmacy, and a post office. The center of Diano Marina is just a few minutes' drive away.
